- The 3 Year Airtime Agreement locks in the airtime rate for the 3 year period and the rate will not drop once the airtime agreement is fulfilled.
- If customers wish to turn radios on and off they must purchase the radios outright. More than 2 Nexedge Activation/Deactivation request per year may incur a \$35 fee per request.
- If a line or account is canceled while in contract, the cancellation fee is \$250 per line regardless of the remaining contract length.
- If radio is Lost, Stolen, or Damaged beyond repair, there will be a \$250 buy out of remaining contract.

* \$25.00, \$30.00, \$35.00 per month airtime rate is guaranteed with a 3 year airtime agreement. Mobile installation is included when installed at General Communications. A trip charge may be added for on-site installations. Above pricing good only with approved 3 year airtime agreement. New customers down payment is due before or on delivery. General Communications will provide unlimited airtime during the terms of this agreement and will be responsible for all radio repairs resulting from ordinary use of the equipment. The system user shall pay for all replacement batteries, chargers, antennas, microphones and for all repairs beyond normal wear and tear as well as repairs due to abuse, misuse or intended or unexpected damage. General Communications will bill the system user for such repairs at General Communication's customary service fee schedule in effect at the time of the repair. More than 2 Nexedge Activation/Deactivation requests per year may incur a \$35 fee per request. If a line or account is canceled while in contract, the cancellation fee is \$250 per line regardless of the remaining contract length.
